Sir:

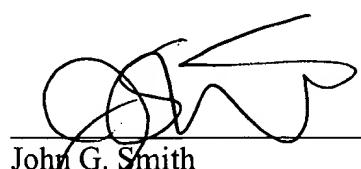

**CLAIM FOR PRIORITY**

Pursuant to 35 U.S.C. § 119, Applicants hereby claim the benefit of the filing date of Japanese Application No. P1997-030508, filed February 14, 1997, for the above-identified United States Patent Application.

To the best of the undersigned's knowledge, a certified copy of the above-identified Priority Document was submitted in parent Application Serial No. 09/247,298, filed February 10, 1999, in support of Applicants' claim for priority.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP
